PIKE COUNTY NEWS

MOTOR LAW TAKES EFFECT.

The recent enactment by the council of the city of Pikeville has gone into effect, but with some modification from the original draft. The tax imposed by the original on bicycles was, upon a reconsideration of the act last Friday evening, taken off, and the tax for license on all motor-driven vehicles operated for profit was lowered to \$25, and on all of those operated only for private purposes, to \$10. The provision requiring bond to be given was allowed to stand as a permanent part of the ordinance, also the provision banishing all motors from Main and Second streets and connecting avenues during Saturdays was allowed to stand.

This ordinance has created great excitement in Pikeville, and a petition asking its repeal may be circulated for public subscription at once. Disinterested persons have stated that in their opinion the ordinance was a little too drastic, and that if it is allowed to remain in force, it should at least be supplemented by an additional requirement that all wagons and teams pay a similar license fee, and in this way raise a sufficient revenue to defray the expenses of the street cleaning department.

In the event the petition fails to secure a repeal of the law, a test case may be taken to the Court of Appeals for final adjudication.

Ordinance Repealed.

Acting on the strength of public sentiment which has been very strong against this law, the entire ordinance was repealed at a session of council held Tuesday evening, with the exception of the speed limit law, which was retained. But a strong hint was left for owners of these machines that if

further abuses of common rules of safety occurred, the ordinance might be re-enacted.

THREE NEW LAWYERS.

Pikeville now has three new members of the legal profession. These are: Circuit Clerk James A. Scott, H. Pauley and E. T. Hatcher. These gentlemen went to Prestonsburg last week for their examination, and all three were eminently successful. Their examiners were Mr. John Hopkins, Jr., and County Attorney W. Lee Roberts, with the Judge of the Court. They intend to practice at Pikeville.

STORK BUSY.

The bird with a beak was a pleasant caller at the home of Dr. and Mrs. J. D. Meade, on Second street, last Thursday and presented them with a fine girl baby.

The bird next alighted on the chimney of the home of Mr. and Mrs. A. F. Childers, also, and left them a fine 15-pound boy.

CHILD DIES OF WHOOPIING COUGH.

Six-months-old Englar Polley, son of Mr. and Mrs. D. C. Polley, of Millard, Ky., died last Thursday of whooping cough. The child had only been sick for a short time, and at his death it was thought that he was better. Several Pikeville relatives attended the funeral ceremonies which were held at the home Saturday.

SNAKEBITTEN.

Mrs. Henry Siltner, of Pond Creek, near the Belcher siding, was bitten by a snake while out in the corn field at her home last Friday. When found

some moments later she was unconscious, but a physician soon revived her, and she stated that she had been bitten while working, but could not tell the kind of snake that attacked her, but thought it was a copperhead. She was bitten on the foot, and for a time it was thought that the member would have to be amputated to save her life, but this was later found to be unnecessary, as the swelling was brought under control. She will recover.

SURPRISE PARTY.

A surprise party surprised the home of Dr. and Mrs. A. S. Reece last Friday evening. But the hosts were found at home, and well prepared to receive their guests, the Tuesday Evening Music Club. After a joyous time spent in games, refreshments and singing the guests took leave of their hosts after rendering appropriate farewell music.

FISHING PARTY.

Capt. and Mrs. A. H. Watkins had for their guests at a fishing party at Ford's Branch last Thursday the following, who spent the entire day on the bank of the river with hook and line: Misses Norma Holmes, of Windsor, Canada; Bonnie Tackaberry, of Texas; Emma Tackaberry, directors of Music at Pikeville College; Miss Harman, Dr. A. S. Reece, William Ross and T. A. Palmer, of Huntington. The day passed pleasantly, and they never caught a single fish, until Miss Bonnie, the fair Texas visitor, fell in the river. Big Bill Ross admirably performed the role of "my hero," and he bravely essayed to go to the rescue. But when he had succeeded in landing the young lady upon the shore, she was so muddy that he wanted to throw her back into the river again. Fortunately a way was found of cleaning the gown of its muddy coat; and after the warm sun had relieved it of the dampness the party returned by train to Pikeville suborned and happy.

JONES TAKES SANITARY LUNCH.

The Sanitary Lunch stand on Central avenue, of which J. Ed Hyton was formerly the owner, was taken over by Mr. J. C. Jones, an experienced restaurateur, by purchase last Monday. Mr. Jones plans to expand the lunch stand into a well equipped and modern restaurant and soft drink parlor. Considerable money will be spent on its improvement.

AMATEUR THEATRICALS.

The Bowling brothers, Marcus, Grath and Edward, by the help of other amateur vaudeville talent, gave an exhibition in the Bowling theater last Monday. Among other feats was a remarkably skillful exhibition of hypnotism by Prof. Grath Bowling, who has acquired considerable knowledge recently of the cataplectic science, and was a student of a learned professor here some weeks ago. He has proven himself to be an apt scholar of legedomain and other hocuspocus performances, and his youthful friends who saw the performance say he has a brilliant professional career before him.

PROF. RIDDLE BUILDING.

Prof. T. M. Riddle is preparing to build a modern two-story frame residence on his lot on Auxler avenue, and it will rise on the site of his old home, which has been torn down to make room for the new. When finished this will be an ornament to West Pikeville, and a permanent indication of the progressive spirit of our city. It will not be completed until late in the fall.

VICARS-DESKINS WEDDING.

The wedding of Miss Lella Vicars to Prof. Rush Monroe Deskins, of Pikeville, took place amidst beautiful floral decorations at the First Baptist Church at Wise, Va., the home of the bride, Wednesday. The ceremony was a dress occasion, and the gentlemen wore evening dress, while the ladies were robed in white.

A large number of guests attended from Pikeville, among them being Mrs. W. K. Elliott, Mrs. J. W. Vicars and daughter Sallie, Messrs. John M. Hatcher, Daniel Syck, Ira Deskins, brother of the bridegroom, and others. At the conclusion of the ceremony the happy couple found many beautiful presents and wishes for a happy future awaiting them. They may make their home at Pikeville.

DISTRICT CONFERENCE HOLDS SESSION.

The District Conference of the M. E. Church South, of the Ashland district, held its annual session here this week beginning Monday evening. The annual Sunday School convention of the church was also held Tuesday and Wednesday. The opening sermon of the conference was delivered Monday evening by Dr. H. T. Watts, pastor of the M. E. Church South of Prestonsburg, and responding to the hearty welcome which the conference had received at Pikeville, he complimented the town in warm words of praise. The business session of the conference was held Thursday.

Dr. U. V. W. Darlington, of Huntington, Secretary of Education of that district, addressed a large congregation Tuesday evening.

Many ministers and delegates from every church in the district were present, and among them, Rev. and Mrs. E. M. Keith, of Louisville, and Rev. R. F. Rice, of Yatesville, Lawrence county. The ladies had charge of the program Wednesday evening. At this service Mrs. Keith and Mrs. Nash, the latter of Ashland, addressed the gathering.

Each day brought new arrivals to the conference, and all enjoyed themselves, although the city has been sweltering under high temperature during the entire week.

The conference will come to a close this evening, but up to the time of going to press it had not been decided where the next session of the annual conference would be held, though very probably at Louisville.

LOCAL AND PERSONAL.

The Pikeville Police Court was in session here last Monday, with Judge Robt. L. Miller on the bench. The court sat at this date in civil session. Little Misses Gladys and Pauline Cooper, daughters of Judge R. H. Cooper, are spending the week as the guests of relatives at Paintsville. Deputy Sheriff Ireland Pauley took

the following prisoners convicted at the present term of the Circuit Court to Frankfort last week for lodgment in the penitentiary: Amos West, 10 to 20 years; Stephen Tackett, 10 to 25 years; Guy Abbott (colored) 2 to 5 years.

Attorney H. S. Howard returned last Saturday evening from Roanoke, Va., where he has been visiting friends during the past month.

Attorney Shade Combs, of Prestonsburg, was in Pikeville one day last week on business.

Miss Vergie McCombs of Hominy, Okla., is here this week as the guest of her uncle, Dr. J. W. Vicars, and family.

Dr. W. P. Hughes, of Yeager, Ky., was in Pikeville for a few days last week as the guest of his brother, Dr. G. H. Hughes. The former has just returned from Louisville, where he graduated in the dental college of that city. He also received his degree of A. B. from the college at Valparaiso, Ind., one year ago. He, with his brother and family, went to Yeager last week, where they are spending a vacation with their parents, Mr. and Mrs. James Hughes.

William Greer, a merchant of Myra, Ky., was here on business last week. Mrs. Jack Akers, of John's Creek, is here this week as the guest of her parents, Mr. and Mrs. W. H. Williams, on Second street.

Norman and Glen Maynard, the two little sons of Mr. Ira Maynard, of Huntington, W. Va., are here for a few days.

Mrs. Morell Morris spent the latter part of last week at the home of her parents, Mr. and Mrs. Richard Ratliff, at Shelbyana.

Attorney Chas. Hobson went to Prestonsburg last Friday on a professional trip.

Contractor Robt. O. Honaker has just returned from Catlettsburg where he has been employed since last December. He will remain in Pikeville.

Rev. Giles C. Taylor, evangelist of Prestonsburg, spent last Sunday in Pikeville the guest of friends.

Alex Stone, of Lookout, was in town last Saturday.

The closing order in the contest case of Campbell vs. Potter, involving the office of County Superintendent of Schools before the Kentucky Court of Appeals was transmitted by telegraph by attorney W. W. Reynolds Tuesday.

This was an agreed order for a final mandate to issue.

Police Court, civil session, was held here last Monday, with Judge Robt. L. Miller on the bench.

Attorney W. H. Flanery, of Catlettsburg, is here this week attending circuit court.

Mrs. Roy Wilhoit arrived here from Louisville Tuesday evening for a short visit to her parents, Mr. and Mrs. John Triplett, on College street.

Dr. A. R. Williams, of the New Drug Store, left yesterday morning for Kansas City, Mo., where he will spend a vacation. He will stop en route at his former home in Oskaloosa, Iowa, for a short visit before going to Kansas City.

Dr. Ed. M. McGath, an experienced pharmacist of Huntington, will have charge of the New Drug Store during Dr. Williams' absence.

Durant Tackett, a merchant of Virgie, Ky., spent several days in Pikeville recently.

Abe Ferrell, a blacksmith of Buckley's Creek, was here Monday visiting relatives.

J. M. Adams, of Louisville, has been here for several days this week looking after business interests.

Attorney T. H. Harmon went to Prestonsburg on professional business Monday and returned Wednesday.

LETCHER COUNTY AND WHITESBURG.

What is Happening in this Rich Coal Territory of Kentucky.

Whitesburg, Ky., June 10.—That the Letcher county coal and timber areas are attracting attention throughout the country is certain, and scarcely a day passes without one or more announcements of new operations and developments soon to take place in the vast coal and timber field surrounding. Everything is hustling and running full time in the plants of The Consolidation Coal Co. and The Elk Horn Mining Corporation in the Boone's Fork and Elkhorn territory in this county. Within the next thirty days no less than a half dozen new timber operations, some of which will be of considerable magnitude, will be opened up in Letcher county, while immediately beyond the line in Perry county there are already a number of big timber operations well under way.

The whole of Letcher and Perry counties will soon become a vast industrial and commercial section—from a coal and timber development proposition. The exploitation of great money wealth is necessary for the great amount of work taking place—and already untold millions of dollars have been expended in the work.

Pursuant to a call of Chairman W. B. Webb, of the Letcher County Board of Education, the trustees of Division No. 2 met at Mayking Saturday and employed the following teachers for 1914: Sergeant, Prof. Bennett Adams; Colly, Prof. Oscar Jones; Lower Colly, W. R. Blair; Millstone, Jesse Holbrook; Upper Thornton, Prof. B. P. Sergeant; Pine Creek, Alex. Kincaid; Mill Creek, George Fugate; Bottom Fork, Peter Adams. The teachers for the Whitesburg district will be hired soon. Better teachers and a higher interest in education in Letcher county is everywhere manifest. It is predicted that this year's attendance will be the best in the history of Letcher county. A number of new school buildings are to be erected during the present year.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We are sure that you will be cured by our method. Send for circular. Y. J. CHERRY, & CO., Toledo, Ohio.

Sold by Druggists. Take Hall's Family Pills for constipation.

YOU CAN'T EAT APPETITE POOR

Multitudes of people lose their appetite. Simply don't care for anything to eat. The dinner bell has no interest to them. They loathe their breakfast. They may nibble a little of this and a little of that, but they do not care for it.

Lunch has lost all of its charms, although they try to eat something. Dinner about the same.

There is something positively wrong, of course, but no disease that can be named. Just out of sorts. That is all.

It is in this kind of a condition that Peruna acts very beneficially.

After using Peruna, interest in food is revived. Beginning with a teaspoonful of Peruna before each meal will generally quickly improve the appetite and help the digestion.

Thousands of people can testify to this. Liberated from a slavery that is almost unbearable. The slavery of having no interest in life. All used up. Yet one does not know exactly why. Take Peruna before each meal.

Stomach will get blue again. Fields will look green once more and life will be pleasant. You will feel that you are good for something and the world is a good place to live in. Peruna will do it. Not as an artificial stimulant. Simply a tonic that stimulates appetite in a natural way.

Those who object to liquid medicines can now obtain Peruna Tablets.

pecially for the Whitesburg National Guard. The building will cost between \$3,000 and \$4,000.

Last Thursday Hon. J. C. W. Beckham spoke in Whitesburg to a large crowd.

A. H. West, of Pikeville, field manager for the Singer Sewing Machine Co., was a business visitor in Whitesburg and Letcher county last week. He was looking over his rapidly increasing business in this county.

Robert B. Franklin was a professional business visitor down the State last week. He visited Winchester and Lexington, and accompanied Ex-Gov. Beckham into Whitesburg.

W. B. Webb and R. B. Franklin were Friday business visitors of Harland, Perry county's hustling capital.

E. G. Eversole, London traveling salesman, was calling on the merchants this week. Mr. Eversole is one of the best known traveling men covering the territory.

A. L. Hicks, of Washington, D. C., was registered at the Whitesburg hotel this week.

W. H. Harris, of Johnstown, Pa., an interested lumberman, has been in this section looking over available timber properties.

Biggest Steamship.

The largest and finest passenger craft that ever floated, the Vindicator, arrived at New York Thursday from Hamburg, is as long as five city blocks. Its carrying capacity is as great as that of forty long freight trains. It could house an army. It has the sumptuousness, the luxury, and the conveniences of the finest hotel. Moreover its builders have exhausted the wit and cunning of man in their endeavors to make it safe. It is really two ships in one, so that should disaster befall the outer skin the inner would keep the great boat afloat. "Unsinkable," the experts say. So they said of the Titanic.

J. L. McCormick, of The Mineral Development Co., a big Philadelphia corporation, has been in this county looking over the company's extensive holdings. For some time it has been expected that this company would start a big coal development plant, which is likely to occur at any time. Mr. McCormick, however, did not make any statement when asked by the NEWS correspondent in regard to their future plans. Their best holdings lie along Colly creek, just above Whitesburg.

Hon. R. Monroe Fields, Commonwealth's Attorney, returned from Pikeville, where he has been holding a term of the Pike Circuit Court in which considerable business, Mr. Fields says, was transacted.

Major John A. Webb and Capt. Chas. H. Back will within a few days let a contract for the immediate building of an armory for Letcher county, and es-

pecially for the Whitesburg National Guard. The building will cost between \$3,000 and \$4,000.
